Engineer to Estimate Unknown

We would be obliged if you could contact the repairing garage and/or the client as appropriate and agree figures with the repairer – **do not authorise repairs**. Please do not agree a contract repair in excess of 80% of the vehicle value. All contract repairs must be fully itemised.

Please confirm if the vehicle is un-roadworthy and/or illegal to drive.

Vehicle Status – Driveable

Please could you check the damage for consistency with the following accident circumstances?

Our client had just set off from the traffic lights in the left lane on the A27 in Lancing, which has two lanes in our client's direction. Your insured to the right of our client, proceeding in the right lane has overtaken our client's vehicle and then switched back into the left lane causing a collision with the front offside bumper of our client's vehicle. Your insured exchanged details at the scene of the accident.

Damage Area – Front Offside: Moderate - Front offside bumper is dented and scraped - Trim around the headlight is scraped - nearside front and rear wheels are scraped - offside wheel arch trim is broken

TP Vehicle: FIAT 500 LOUNGE

TP Registration: EY61 UYO

TP Representative Name: Admiral

If you need any further information please contact us on 0800 093 0982 selecting option 2.

Yours faithfully
