MARKET RESEARCH

The market search identified a limited number of directly comparable Vauxhall Vectra SRi petrol manual hatchback examples. The selected examples below are considered the most relevant vehicles identified from the search results.

No.	Vehicle / Derivative	Year	Mileage	Seller	Asking Price	Comment
1	Vauxhall Vectra 1.8 VVT SRi 5dr	2006	112,000	Retail / trade	£1,000	Closest match by age, engine, trim, body style and transmission.
2	Vauxhall Vectra 1.8 VVT SRi 5dr	2008	135,900	Retail / trade	£915	Comparable mileage and specification; newer than the subject vehicle.
3	Vauxhall Vectra 1.8 VVT SRi 5dr	2007	134,000	Retail / trade	£2,290	Similar mileage and specification; enhanced styling noted.
4	Vauxhall Vectra 1.8 VVT SRi 5dr	2008	103,000	Retail / trade	£2,495	Lower mileage and newer; useful wider market support.

VALUATION COMMENTARY

The closest comparator identified is the 2006 Vauxhall Vectra 1.8 VVT SRi 5dr advertised at £1,000.00. This is closely aligned to the subject vehicle in respect of age, engine, trim, body style and transmission.

The wider market evidence includes further SRi examples advertised between £915.00 and £2,495.00. These examples support the view that a retail market value of £1,200.00 is reasonable for the subject vehicle.

CONCLUSION

Following detailed market research and review of comparable live adverts, we consider a retail pre-accident market value of £1,200.00 to be reasonable for the subject vehicle.
